Minutes:

Approve Minutes for the December 18, 2025 call - approved unanimously

Outreach: Webinar, New members and pipeline, Survey - Proposed plan for webinar is to market it at Provelt and have the webinar after the event. Thursday March the 5th is a placeholder. A webinar title and synopsis will be shared with Thea (to be edited further).

Membership pipeline process on github was presented to the group. Prospective members received positive feedback.

Marketing: Provelt! 2026 and other upcoming events - FOSDEM, Provelt!, Embedded World 2026, OCX, RISC-V Summit EU are all upcoming events from Feb-Jun. Group is encouraged to participate in these events. Materials available.

Provelt planning is moving forward smoothly. More updates will be provided.

Sparkplug v4 technical update - ticket will be triaged Q1 2026.
